# Kindergarten News

*St. John's Kindergarten*

It is hard to believe it is already time for Easter and Spring Break! We have had another fun filled month in Kindergarten, including the wedding of Q and U! We have worked hard on our reading and writing, as well as, in math with our addition and subtraction. We also learned about identifying coins and their values and place value. Thanks for all your support at home!

We started looking at the writing process and are currently working on publishing our own stories about kings and castles! Watch for their final copies to come home. 😊
